

One Thing Worship Retreat

“ONE THING” is a gathering of women in an intimate setting, to pause and pull away from the rush of life with the intentional purpose of being with Jesus. With focused time to worship God, study and pray His Word, and listen for His voice, “ONE THING” gives time and place both for individual and shared times of devotion. Taken from Psalm 27, a “ONE THING” worship retreat is perfect for groups of all sizes and may include biblical teaching on the subjects of **Worship, Life In Christ, and Prayer.**

An invitation from Kim Stanley:

Could we journey together for this one thing?

*To gaze upon the beauty of the Lord,
whether for an evening or for a day or two,
this “One Thing” will change us forever.*

*A Ladies Tea or Weekend Retreat,
it would be my pleasure and privilege
to share in the Lord’s Presence with you.*

Come away with Him

To Worship,

To Reawaken,

To Encounter Christ.
